Foreword

To the aboriginees who gave it a name for friendliness

Dedication

To the men and women who have made Texas,—to the aboriginees who gave it a name for friendliness; to the conquistadores, the padres, and the sons of the Franks who blazed its trails; to the pioneers who conquered its wilderness; to the warriors who made it free; to the statesmen who moulded it into a Republic and joined it to a Union; to the agriculturalists, industrialists, and commercialists who have given it economic prosperity; and to the artists, musicians, writers, and teachers who have shaped and preserved its culture,—the STONE FORT for Nineteen Hundred Thirty-Six is respectfully dedicated.

To the conquistadores,
the padres, and the sons of the Franks, who blazed its trails

GREETINGS

The STONE FORT, again, records in picture and story a year of the college life. It is a record of work well done, of many hours spent in a fine fellowship, of striving with others for better human relationships and for a fuller, freer, happier life. It is also a challenge to keep alive in memory the activities of the year that stimulate thought and deepen purpose—all to the end that each may do well his part of the World's Work. My wish for you is that the coming years may witness the flowering and the fruiting of the plantings of the college year 1935-36.

Sincerely,

A. V. Bindwell

BURON THOMAS AND HIS ROYAL AUSTONIANS

Aside from playing for all-college dances of the year, the Royal Austonians are popular throughout East Texas, having played at the famed Cooper Club, and being the first orchestra to broadcast from the new studios of KXYZ in Houston.

Much of the success of the boys is due to the untiring efforts of Buron Thomas, whose natural ability as a director and leader has accomplished great results.

Whether the dance is to the poignant strains of a waltz or the lilting melody of a fox-trot, their music is always to be desired.

HISTORY

The A. W. Birdwell Chapter of the Alpha Chi Scholarship Society was founded for the purpose of fostering and encouraging higher ideals of scholarship and character. The meaning, truth and character, is embodied in the term Alpha Chi.

This year, for the first time in its history, the Scholarship Society entertained those Freshmen and Sophomores who made the honor roll the first term.

COLLEGE COMMISSION

According to its constitution, the College Commission was founded "to carry forward a positive, cooperative, and integrative program to promote better relations between men and women on the campus, to encourage more fellowship and understanding between students and members of the faculty, and better to induct freshmen into the best that the college has to offer them."

The inception of the Commission dates to October 2, 1935, when at a banquet honoring Mrs. Mildred Morgan a committee was appointed to prepare plans for a federation of students and faculty members designed to work out the program set forth in the preamble above.

The president of the student body became chairman of the Commission, and delegates were apportioned as follows: one man and one woman from each class and from each organization having both men and women as members; one delegate from every other organization; and seven delegates appointed from the faculty by the president of the college. Regular meetings were held once monthly.

During the year its numerous research committees have made detailed reports upon and recommendations for the solution of many campus problems. Administrative committees have done much toward the coordination of student enthusiasm at athletic events, solution of the parking problem, entertainment of visiting athletic teams, modification of traditional rules and mores, and progressive methods in the selection of student officers.

INTERCOLLEGIATE DEBATE

THE DEBATING SEASON OF 1935-36 OPENED WITH THREE EXPERIENCED INTERCOLLEGIATE SPEAKERS IN THE RANKS OF THE CANDIDATES FOR POSITIONS ON THE TEAMS TO REPRESENT THE COLLEGE. JOE W. DICKERSON OF ROCKLAND AND EVERETT PAGE OF CARTHAGE WERE LEADING MEN ON THE TEAMS OF 1934-35; DON LANGSTON BEGAN HIS THIRD YEAR OF VARSITY DEBATING.

IN THE FIRST TRYOUTS THESE MEN RANKED IN THE REVERSE OF THE ORDER NAMED. KENNETH KENNEDY PLACED FOURTH, AND HELD HIS RANK THROUGHOUT THE SEASON.

ALTHOUGH THE TEAMS WERE NOT ABLE TO ADVANCE FAR IN THE TOURNAMENTS AT WACO, JANUARY 30-31, OR CONWAY, FEBRUARY 13-14, THEY GAVE GOOD ACCOUNTS OF THEMSELVES, WINNING MORE THAN FIFTY PER CENT OF THE DEBATES IN WHICH THEY PARTICIPATED. AT THE NATCHITOCHES TOURNAMENT, FEBRUARY 28-29, PAGE AND KENNEDY TIED FOR THIRD PLACE, BEING ELIMINATED BY A CLOSE VOTE IN THE SEMI-FINALS.

HARLON MARTIN AND HENRY FREDERICK ATTENDED THIS TOURNAMENT AS THE THIRD TEAM. BOBBY HOWARD, WHO IN THE ILLNESS OF KENNEDY DEBATED AS DICKERSON'S COLLEAGUE AT CONWAY, AND LLOYD WOODS ENTERED THE "CONSOLATION" ROUNDS.

WHILE EN ROUTE TO CONWAY THE TEAMS STOPPED AT MENA, ARKANSAS, TO DEBATE THE LABOR QUESTION WITH REPRESENTATIVES OF COMMONWEALTH COLLEGE THERE.

THE SEASON WAS BROUGHT TO A CLOSE WITH PARTICIPATION IN THE CONTESTS AT THE NATIONAL CONVENTION OF PI KAPPA DELTA AT HOUSTON, MARCH 30 TO APRIL 3.

EVERETT PAGE SERVED AS PRESIDENT OF TEXAS MU, THE LOCAL CHAPTER OF PI KAPPA DELTA, DURING THE YEAR. JOE W. DICKERSON WAS VICE-PRESIDENT AND DR. T. E. FERGUSON WAS SECRETARY.

SHELTON

WHITE

DOSSEY

BURK

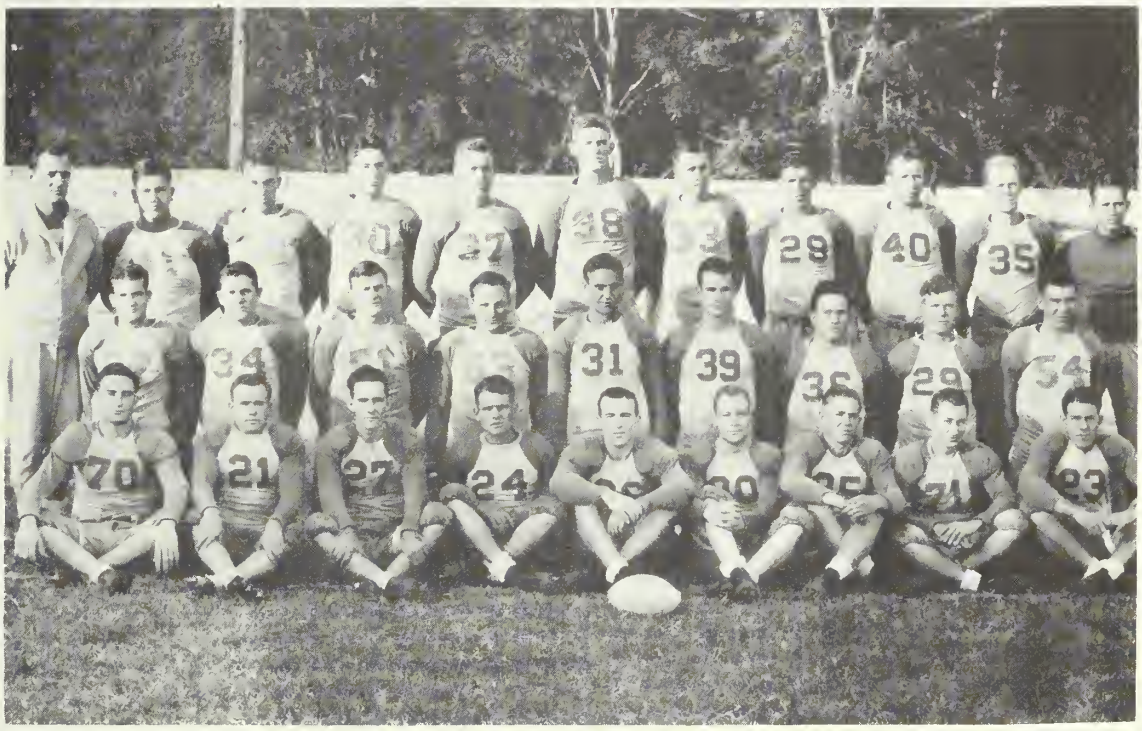

When the doors of Stephen F. Austin were opened, the administration saw the need for a capable and efficient athletic director and coach. After much deliberation, R. H. SHELTON, who had made an enviable record at Southwest Texas, was selected. When he came here it was his duty to coach all sports, but because of so many duties he was forced to give up football. Since then his basketball teams have made a record that any school should be proud of. For the past five years his cage teams have won the Lone Star Conference championship and gained for the school much invaluable publicity. He also coaches track. Coach "Bob" is a tireless worker, a lover of clean sports, and a gentleman.

For the past seven years it has been the unpleasant and difficult task of Coach WHITE to build a football team out of mediocre, untried material. Most of the boys come to Stephen F. Austin without the asset of having had experience in high school. And upon no occasion has he failed to turn out a scrapping eleven. The 1935 edition of the purple and white was hampered by several injuries during the early season but really came into its own later. Only one conference game was lost and the first Lumberjack team was co-champion of the conference along with East Texas and Denton. Several of the mainstays of 1935 will be lost by graduation, but Coach White will have a formidable eleven in '36 without a doubt.

MR. DOSSEY is coach of freshman athletics---football, basketball, and track. It is his responsibility to prepare carefully the first-year men for future varsity competition. With his thorough knowledge of athletics and his winning personality, Coach Dossey has not only won the esteem of all athletes, but of all students who have come in contact with him.

For the first time since he came here, Coach White was furnished with an assistant---PERCY BURK. Mr. Burk had won his spurs as a football player at Rice Institute, and he came here highly recommended. He was made line coach under Mr. White, but also had charge of intramural sports and gave Mr. Shelton much assistance in molding his tracksters. A thorough student of athletics, a tireless worker, and a gentleman, Coach Burk has already made a name for himself in Stephen F. Austin.

1935 SEASON

The 1935 football season was one of the most hectic campaigns ever waged by the purple and white. It was a season filled with thrilling upsets and bitter disappointments from start to finish, and was one of the most closely-contested conference races ever to be played on the Lone Star gridirons. The end of that race saw the Lumberjacks tied with Commerce and Denton for Loop honors. For the first time in history, Stephen F. Austin had finished at the top.

Thirty five men answered the call for training on September 10. Coaches White and Burk had assembled together one of the most likely-looking squads since the beginning of the school, and it was not long before it became evident that there was a championship team in the making. The team was composed mostly of Juniors and Seniors with a few untried Sophomores to fill in the gaps of last season.

For their initial encounter, the Axemen were called on to play the Texas Aggies on September 21 at Kyle Field. That sunny Saturday after-

NOON SAW AN INSPIRED JACK ELEVEN HOLD THOSE BIG BRUISING AGGIES FOR THREE SULTRY QUARTERS, TRAILING THEM ONLY 12 TO 6 UNTIL THE LAST PERIOD. IN THE FINAL STANZA THE BOYS WILTED AND THE CADETS SCAMPERED UP AND DOWN THE FIELD TO ROLL UP A FINAL 37 TO 6 SCORE. DURING THE CLOSING MINUTES OF PLAY, LEE PARMLEY, STERLING WINGMAN, RECEIVED A FRACTURED VERTEBRA, AN INJURY THAT ENDED HIS GRIDIRON CAREER.

THE SOUTHWEST LOUISIANA INSTITUTE BULLDOGS FROM LAFAYETTE CAME TO TOWN ON FRIDAY NIGHT, SEPTEMBER 27, AND BEAT OUT THE LUMBERMEN IN A LISTLESS 6 TO 0 BATTLE ON BIRDWELL FIELD. LAWERENCE HOUGH, BRILLIANT SOPHOMORE TACKLE, RECEIVED A CHIPPED VERTEBRA IN THE SKIRMISH AND WAS PUT ON THE SHELF FOR THE REST OF THE SEASON. THIS WAS THE SECOND OF TWO MAJOR TOUGH BREAKS THAT CAST A CHILLING GLOOM OVER THE LUMBERJACK CAMP.

THE EAST TEXAS LIONS FROM COMMERCE, DEFENDING CHAMPIONS OF THE LONE STAR CONFERENCE, INVADED THE FRONT ON OCTOBER 4. WITH EIGHT JACK REGULARS ON THE SIDELINES AND IN THE HOSPITALS WITH INJURIES,

1935 SEASON

The Junior Jacks of 1935 were a powerful aggregation that will furnish the varsity team with ample material for a strong squad.

About twenty-five men reported for practice to Coach Dossey, and he was confronted with the task of building a winning team out of inexperienced material. Some of the boys had been high school stars, however, and with these as a nucleus he shaped a freshman powerhouse of no mean ability.

Some of these outstanding performers for the Fish were SKINNER, MYERS, COLEMAN, RUNNELS, JIMMERSON, BAKER, HALEY, and McCLUNG.

BASKETBALL 1935-'36

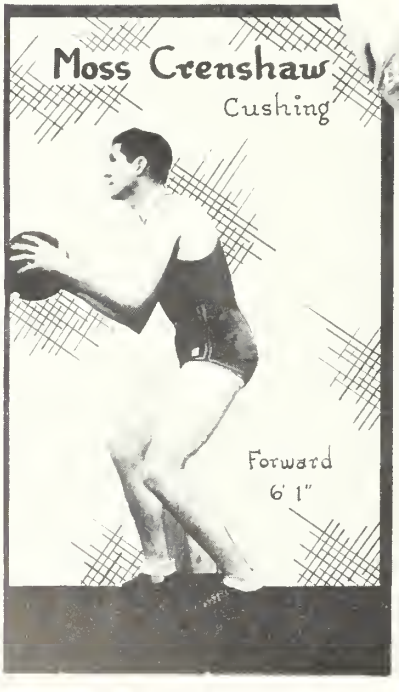

There is little doubt that the Lumberjacks of 1935-'36 deserve to be ranked among the greatest basketball teams in the history of the school. It can be truthfully said that they made one of the most notable records of all Lumberjack cage teams, and they rank among the best in the entire Southwest.

When Coach Shelton issued the call for practice, only two of the mainstays of the championship team of 1935 reported for duty. They were MOSS CRENSHAW, forward, and EMIL HANICAK, senior guard. Railbirds were a bit skeptical as to whether the 1936 edition of the Lumberjacks would conform to the standard as based upon their record of four consecutive championship teams. Nevertheless, Coach Shelton faced the task with confidence and worked hard along with the boys throughout the fall. As a result, he was rewarded for his efforts when the Lumbermen downed the powerful East Texas Lions in Aikman gym on February 26 to gain a tie for the Lone Star Conference flag. Previously, the Lions had administered the only conference setback to the Axemen at Commerce. It marked the fifth consecutive time that Shelton-coached teams have monopolized the upper berth in the conference.

Of the twenty-two games played during the entire season, only three were lost, which is an enviable record when the competition consists of the cream of Southwest cage teams. Guy Massey and Alton Clayton, brilliant sophomores, and Stacy Colwell teamed with Hanicak and Crenshaw to make the starting five.

POST SEASON GAMES!

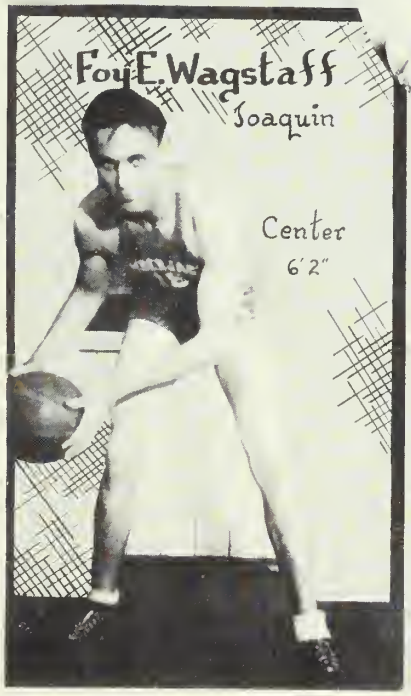

Shortly before the end of the season, Coach Shelton received an invitation to participate in the Olympic try-outs to be held in Houston. He accepted, and a benefit game with the Hunt Oilers, a semi-

professional team from Overton, was arranged. On March 7, the Oilers, dotted with all-American talent, invaded the Lumbermen's camp and were handed a stinging 45 to 39 defeat by a crippled purple and white scoring machine. On March 13, the Axemen departed for the Bayou City and the Olympic try-outs. Four teams were entered in the meet; Texas University, Arkansas University, Rice Institute, and Stephen F. Austin.

After a stirring battle with the feathered five of Rice, the Woodsmen eked out a 49 to 48 win. Arkansas eliminated Texas and it fell the assignment of the Lumbermen to tangle with the elongated Hogs in the final game. The next night the 'Jacks put up a stubborn battle during the first half, but the rangy Porkers, led by H. L. Poole, drew away from the purple and white in the final half to carry off a 54 to 23 verdict. The classy Poole banged the meshes from all distances and angles to score 24 points, which was the deciding factor of the fray. Thus ended another successful Lumberjack cage campaign.

The prospect for the 1936 track squad was very disappointing at the beginning of the season. Not a letterman from last season had reported, and the sixteen men who did report were sophomores and untried squadmen. One of the reasons, possibly, that keeps our track squad of the mediocre type is because of the poor facilities. Perhaps next year the condition will be remedied, and much larger squads can be accomodated along with the possibility of having track meets here at Nacogdoches.

The men expected to break the tape and shine in the field events are LANGFORD WARREN, brilliant sophomore star in the dashes and 440-yard run; JACK PORTER, hurdles; LeROY McPHAIL, weights and javelin-throw; HAROLD SEAMONS, dashes; FLETCHER GARNER, middle distances; JOE WEST, 440-yard run; and J. B. HURST, dashes.

Other men in reserve include ERNEST FORD, dashes; TRAVIS BUSH, dashes; PAUL PICKARD, 880-yard run and mile; RALPH CRAWFORD, pole-vault; S. L. RAWLS, high-jump; REED DOMINY, dashes; EUGENE BARWICK, high-jump; and REGINALD MABERRY, mile and two mile runs.

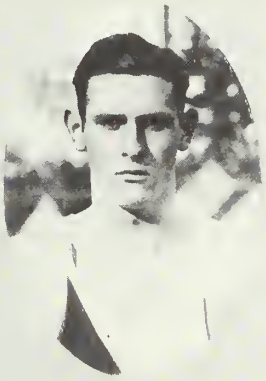

WARREN

SEAMONS

McPHAIL

At Fort Worth on March 21, Warren, the flash from Beckville, netted third place in the 100-yard dash, outrunning all the competition in this conference. He also crossed the finish line second in the 440-yard run. The turns were too sharp for the lanky one to round at his customary speed, and another participant in the race passed him. Coach Shelton is expecting another man of the "Bob Phillips" type in Warren before his college days are over. McPhail and Porter failed to place in the meet.

TENNIS

RULFS McNEIL DILLEN ROQUEMORE CLAYTON

Only six men answered Coach White's call for tennis practice at the beginning of the net season. The Jack racquet-wielders were very fortunate in getting started early on the grind at the City water Works' Courts, unhampered by the poor condition of the college facilities.

Intra-squad competition for first-place berths was very keen early in March. Lamar Roquemore, veteran of two seasons and ranking number two player in 1935, and Clemen Dillen, letterman of last season and number three player, were pushing for the number one position. John Wesley McNeil and Lawrence Rulfs went through the season at the other two positions. Alton Clayton and Swearingen Nowlin showed much promise of becoming threats to the leaders, however, and saw service before the season was closed.

THE SIX TEAMS ENTERED IN THE RACE CREATED AN ENTHUSIASM THAT WAS FELT OVER THE ENTIRE SCHOOL. THE JUNIOR CELTICS WON THE PENNANT BY A HAIR'S BREADTH FROM THE GANGLING ROYAL DUKES.
